

Appendix D:

Rehabilitation Intensity Provincial Integrated Work Plan 2015-16

Location for Resources

All stroke rehabilitation intensity resources that were developed by our provincial integrated working group can be located on the Ontario Stroke Network website. Below are instructions on how to access these resources.

Steps for accessing the stroke rehab intensity resources:

- 1) Go to <http://ontariostrokenetwork.ca/>
- 2) Click on the '**Healthcare Providers/Partners**' tab near the top and select '**Stroke Quality Based Procedures Resources Centre**' from the drop-down menu
- 3) Within the navigation section, click on '**Clinical Tools and Resources for Implementation**'
- 4) Click on the green link called '**Clinical Tools and Resources for Implementation: In-Patient Rehabilitation**'
- 5) Go to the '**OSN Rehabilitation Intensity Resources**' section and select the resource link(s) that you are interested in accessing/downloading.

If you cannot access these resources at the above website, please contact the Ontario Stroke Network at strokeinfo@ccn.on.ca.
