## Accessibility for Ontarians with Disabilities Act (AODA) – Statement of Commitment to Accessibility

December 14, 2017

CorHealth Ontario is committed to providing a barrier-free environment for all stakeholders including our employees, job applicants, suppliers, and any visitors who may enter our premises, access our information, or use our services. As an organization, we respect and uphold the requirements set forth under the *Accessibility for Ontarians with Disabilities Act (AODA)* (2005), and its associated standards and regulations.

CorHealth Ontario understands that we have a responsibility for ensuring a safe, dignified, and welcoming environment for everyone. We are committed to ensuring our organization's compliance by incorporating accessibility legislation into our policies, procedures, equipment requirements, training, and best practices. We will review these policies and practices annually, as organizational changes occur, or in anticipation of compliance deadlines. In addition, we will strive to meet the needs of individuals with disabilities in a timely and effective manner.

Providing an accessible and barrier-free environment is a shared effort, and as an organization, CorHealth Ontario is committed to working with the necessary parties to make accessibility for all a reality. For more detailed information on our accessibility policies, plans, and training programs, please contact 416-512-7472 or [accessibility@corhealthontario.ca](mailto:accessibility@corhealthontario.ca).

Sincerely,

Sheila Jarvis  
Interim CEO
